

We are playing a Scramble:

1. Everyone hits their drive, after determining the best drive, everyone plays their second shot from that point, after the second shot you determine the best shot and everyone hits their third shot from that point. (etc.)
2. The ball must be played from where it lands and can't be improved. If the ball lands in the rough, it must be played out of the rough. If it is obstructed, then the ball should be played from behind the obstruction.
3. Tee off from the Blue markers. (Back Tees)
4. You must use a minimum of two drives from each player in your foursome.
5. Only purchased Mulligan's can be used – NO EXCEPTIONS or transferring of the purchased Mulligan's to other team members.
6. All putts must be putted out. (no gimmies.)

Let's keep the integrity of the Astron Golf Tournament, please do not cheat – the trophy is to go to the best group out there today.

Prizes:

Yet to be determined

Tournament winner: The foursome with the lowest net score.
