

## Connectors and Cable Solutions:

**Bus Bars:** Planar, Laminated, Powder Coated, Braided Cable, & Power Rail  
**Power Cabling:** Fusion Lug, Power Flex, PPC, PowerPath, & Captive hardware  
**Power Connectors:** Power Bud, Louver Contacts, & Custom Housings  
**Power PCB:** Extreme Heavy Copper, Planar Coils, & Transformers.  
**Sonicrimp:** Termination of non matching wires for any size pr combination  
**Shrinkmate Tubing:** EMI/RFI and ESD shielding around joints and seams

**Cable Solutions;** Microwave / RF test assemblies (DC-110 Ghz). VNA, Phaseflex, and general purpose test cables. (Phase Matching Available)  
**EMI Shielding:** Board Level & SMT Sheilding Solutions. EMI Connector Gaskets; Goreshield - Custom die-cut, & Strip. **Antenna Contacts.**

**High Voltage Solutions:** (Space & Mil Approved)  
**High Voltage Cables & Connectors:** Custom & Space Rated Hyperion series High Reliability, High Voltage interconnection products for use up to 75 KV

**Build to Print Custom Cable Solutions:** Ruggedized for Harsh Environments. (AS9100 Approvals) Military, Coaxial / RF, Fiber Optic, Copper, HDMI, Power on Wire Harness, Triax, Quick Disconnect. Custom built connectors ranging from basic pin-and-socket connectors to complex, multi-circuit connectors, and including circular connectors. We can overmold any sized connector and create near endless configurations to meet your specific assembly requirements.

**Connectors:** Board to Board .4mm ~ 2.54mm, Hard Metric, Compact PCI, Z-Pack HM-ZD, Future Bus+, DIN41612, FFC/FPC. SIMM, T-Flash, CF, PCMCIA, USB, IEEE, HDMI, Wire to Board, IDC, I/O, Telecom, Sockets, PLCC and BNC.  
**Cable Assemblies:** FFC/FPC Flat Flex Cable, IDC Ribbon Cable and Discrete Wire Asembles to your custom design

**Terminal Blocks:** PCB connector solutions from 3.5mm to 15.00mm pitch. Single & two part connectors to 600V applications. Wire / board, wire / wire & board / board solutions. 90, 135, 180 & 270 degree orientations available.

**Power Cords;** Commercial, Medical, Industrial, and customizable cables. IEC, molded, add on connection, and Internal plugs available.
