

**Switches:** Tactile; Side Mounted, & Dual Action. **Pushbutton;** Anti-Vandal, Panel Mounted, Latching, Modular, & Power. **DIP;** Half -Pitch Low Profile, & Piano. **Keylock;** Anti-Vandal. **Detector, Navigation, Rocker, Rotary, Slide, Snap Action, & Toggle.** Switches can be Process Sealed, IP67, Illuminated, SMT, & Sub Miniature.

**Connectors:** Board to Board (.4mm ~ 2.54mm) IDC, SD, PCMCIA, USB, IEEE, DIN41612, Future bus, Hard Metric, Compact PCI, FFC & FPC. **Flex Cables;** Ribbon & Discrete Wire Assemblies, PLCC, Sockets, D-Subs.

**Terminal Blocks:** with 3 different cable entry angles, 12 different pitches, 6 different types of connection technology and single or multi-row PCB terminals

**Potentiometers:** Trimmer & Panel Control; Sealed, Single & Multi-Turn. **Encoders & Code Switches. Sensors:** Non-Contact Angle & returning Throttle.

Custom **LCD Display** & Touch Sensor Technology, Silicone Rubber Keypads, **Membrane Switch** Assembly, Flexible Printed Circuits, Plastic Injection Molding

**Fan's:** AC and DC, Standard, Crossflow, and IP67. **Blowers:** Standard and Industrial. Fan assemblies & custom enclosures. **Power Cords. Heat Sinks.**

**Power Supplies;** Manufacturer of AC and DC power supplies including linear, switching, open frame, medical, and custom designs. DC to DC Converters

**Custom Cable Assem:** for Ruggedized & Harsh Environments. **Solar Modules**  
**Connectors:** Military, RF, Fiber Optic, Triax, Threaded, & Quick Disconnect.  
**Distributes for:** Delphi, Sabritec, SV Microwave, C& H Technology, Telegartner Amperite, Array Connector, AZ Capacitor, FCT, RFI, Wilbrecht LED, Wavetronix

Innovative leader in the design and manufacture of **Multilayer Ceramic Capacitors** and **Ceramic Based RF Components.**

**Inductors, Power Chokes:** Toroidal & Drum Core. **Transformers;** Power, Switch Mode, Common Mode, & Laminated. **EMI/RFI:** Suppressors, Chip Beads, Coil Forms, Cable snaps, & Absorbers. **Specialize in Hi-Rel.**

**Microwave Filters:** Bandpass, Lowpass, Highpass, & Notch. UHF / Microwave Cavities / Combiner, Ceramic Helicals. **Diplexers and Duplexers.**

Power Solutions Group:  
Network Bus, CableCo,  
VEP, & Touch Sensor.

**Busbar:** Planar, Laminated, Powder Coated, Braided Cable, & Power Rail  
**Hi-Voltage Cable & Conn:** High current Fusion Lug , Flexible Wire, & PPC.  
**Heat Sinks:** Extruded, Bonded Fin, Flatback, Cold Plates, & Large Customs.  
**Sensors:** User Interface (touch sensing), Fluid Level, & Torque Sensing  
**Certified to:** ISO9000, ISO14001, QS9000, TS16949, and AS9100
