

Power Solutions Group:
Network Bus, CableCo,
VEP, & Touch Sensor.

Busbar: Planar, Laminated, Powder Coated, Braided Cable, & Power Rail
Hi-Voltage Cable & Conn: Fusion Lug Termination, Flexible Wire, & PPC.
Heat Sinks: Extruded, Bonded Fin, Flatback, Cold Plates, & Large Customs.
Ultrasonic Crimping, Carbon Fiber Heaters, & Conductive Heat Shrink
Sensors: User Interface (touch sensing), Fluid Level, & Torque Sensing
Certified to: ISO9000, ISO14001, QS9000, TS16949, and AS9100

Inductors; Molded, Shielded, RF, HF, Power, QPL, SMD, % Air Coils. **Power Chokes:** Toroidal & Drum Core. **Transformers;** Power, Switch Mode, Common Mode, Laminated, & Laminated Quick connect. **EMI/RFI:** Suppressors, Chip Beads, Coil Forms, Cable snaps, & Absorbers. **Specialize in Hi-Rel for;** Avionics, Military, Medical, & Custom applications

High reliability, high voltage **interconnection** products for use up to 75 KV. High voltage Wire and Cable Assemblies. Hybrid multi-pin Connectors with fiber optic, video and high voltage compatibility. High Voltage Capacitors & Voltage Multipliers. Military and Aerospace Applications. AS9100 Certified

Innovative leader in the design and manufacture of Multilayer Ceramic Capacitors and Ceramic Based RF Components.

Custom Cable Assemblies: for Ruggedized & Harsh Environments.
Connectors: Military, RF, Optical, NDL, Triax, Threaded, & Quick Disconnect.
Distributes for: Delphi, Sabritec, SV Microwave, C& H Technology, Telegartner Amperite, Array Connector, AZ Capacitor, FCT, RFI, Wilbrecht LED, Wavetronix

Microwave Filters: Bandpass, Lowpass, Highpass, & Notch. UHF / Microwave Cavities / Combiner, Ceramic Helicals. **Diplexers and Duplexers.**

Connectors: Board to Board (.4mm ~ 2.54mm) IDC, SD, PCMCIA, USB, IEEE, DIN41612, Future bus, Hard Metric, Compact PCI, FFC & FPC.
Flex Cables; Ribbon & Discrete Wire Assembles, PLCC, Sockets, D-Subs.

Potentiometers: Trimmer & Panel Control; Sealed, Single & Multi-Turn.
Encoders & Code Switches. Sensors: Non-Contact Angle & returning Throttle.

Fan's: Standard AC & DC, and AC & DC Crossflow. **Blowers:** Standard & Industrial. Fan assemblies & custom enclosures. **Power Cords. Heat Sinks.**
