
Methode Busbar / CableCo Duel Systems: dataMate: MDI:	Busbar's: Planar, Laminated, Epoxy Coated, Omega Braided Cables Hi-Voltage Cables Assemblies: Fusion Lug, Powerflex, & Power Rail PCMCIA: Compact Flash & Express Card Frame Kits & Connectors 1.25 & 10 gig Copper Transceivers: Cages, SFP, and Patch cords. Carbon Fiber Heaters, & Conductive EMC Heat Shrink.
Micropac	Hybrids, Solid State Relays & Power Controllers, Optoelectronics: Hi Temp (200° C), Radiation Tolerant, Military, & Space Qualified.
API Delevan	Hi-Rel Inductors for: Avionics, Military (QPL), Medical, Custom, Molded, Shielded, RF, Power, & EMI / RFI Suppressors. Transformers.
E-Switch	Switches: SMT, Illuminated, & process sealed: Toggle, Rocker, Tact, Pushbutton, DIP, Snap-Action, Slide, Rotary, Keylock, Detector, & Nav
Humiseal	Conformal Coatings: Acrylic, Urethane, Silicone, & Epoxy. Aqueous, & UV40. Strippers: Military, Automotive, & UL approvals.
Alden	Pulse-Lok™ - Auto-Coupling IP67 Connectors; Ruggedized for Harsh Environments, and Medical Devices. Custom Cable Assemblies:
Electronic Devices	Bridges, low and high voltage Rectifiers , and assemblies. Custom: Voltage's, Current ratings, recovery times, sizes, and terminations.
Elpac Power	Power Supplies; 5 to 200 watts; External, Open Frame, Medical & Custom to 500 watts. Docking Stations , Battery Chargers, & Battery's.
Hasco	Relays - Reed: Reed Switches/Magnets, Proximity Switches. Electromechanical: Signal, Automotive, High Power, & High Sensitivity.
Isocom	Optocouplers, Isolators, Optoswitches, Optosensors, Mosfet Relays , and other optoelectronic components:
Nemco	Tantalum Capacitors: Low ESR, Low profile. 0402, 0603 and 0805. Together with radial leaded dipped tantalums & added value services
Oupiin	Connectors: Board to Board, FFC/FPC Shunts, IDC, CF, & PCMCIA, USB, IEEE, DIN41612, Hard Metric, Future bus, PLCC, I.C. Sockets, D-Subs.
R-Theta	Heat Sinks: Liquid cooled, Dual Baseplates, heatpipes, & Board level. R-Tools: Thermal modeling. Thermally Conductive Materials
Steven Label	Nameplates and Graphic Overlays: Labels: Roll, Barcode, & Domed. Membrane Switches; Die-cut Parts, Keypad, & LCD Integration
SunLED	LED's: Apollo, Cluster, Customs, Ultra Bright. Light Bars, Light Pipes LED Displays: Alpha Numeric, Digit, & Dot Matrix. Strip Lighting.
YS Tech	Cooling Fans: Standard AC & DC, and AC & DC Crosflow. Blowers: Standard & Industrial. Custom: Fan Assemblies with Enclosures. Cord
